To whom it may concern,

RE: NELSON-WILLIAMS, Muriel (Miss) DOB: 14-Jun-1976  
59 Cosedge Crescent, Croydon, Surrey, CRO 4DN  
Ph No: Mobile: 07518816659  
NHS No: 626 673 4052 EMIS No: 500487

Miss Nelson-Williams suffers with anxiety and depression, and alcohol dependency.

She takes Mirtazapine, Thiamine, Omeprazole and Vitamin B Compound Strong.

She has a history of self-harm and doesn't feel safe on her own.

She has family in Hastings who can attend to her during the day, but she will need a live-in carer at night to watch over her.

She would also appreciate the allocation of a keyworker to help her with personal/financial affairs. She used to have one when she was living in Croydon.

Yours sincerely,

Dr Paris Ioannou
